

EXECUTIVE STATEMENT OF COMMITMENT TO UN GLOBAL COMPACT

Press Corporation Limited continues to support the United Nation's Global Compact's 10 principles. Our commitment to these principles remains solid as we continue to strive towards maintaining the highest possible reporting standards in respect to business practices. Our board fully supports our actions in working towards the sustainability goals of the United Nations Global Compact.

The annual COP report submitted to the United Nations Global Compact assists us in keeping track of our progress towards achieving the principles and also to map the way forward for the future.

We have made significant progress in relation to protection of the environment and anti-corruption in the year 2011. Going forward, we aim to do more in achieving gender diversity on our Boards and Management.

This COP serves to present a reasonably balanced representation of how Press Corporation Limited aims to move the agenda forward on performance in relation to not just the ten universal principles of the UN Global Compact in the areas of human rights and labour rights, the environment and corruption, but also the broader UN goal of partnerships for development.
